Senate Joint Resolution No. 263—

A JOINT RESOLUTION PROPOSING AN AMENDMENT TO SECTION 1, ARTICLE XII OF THE CONSTITUTION OF FLORIDA, RELATING TO THE PUBLIC SCHOOLS.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF FLORIDA:

That the Legislature of Florida finds as a matter of fact that an emergency exists requiring an early decision by the electors of the State, in that it is the finding of the Legislature that to compel the attendance of children in public schools against their will and conscientious objections with others of a different race either by law or economic pressure would generate feelings of inferiority as to their status in the community that may affect their hearts and minds in a way unlikely ever to be undone and would result in unequal educational opportunity for the children concerned. The Legislature also finds that the public schools of the State are subject to severe or overcrowded conditions which would result in a serious impairment of the accredited standing as well as the operating efficiency of said schools.

WHEREAS, The Legislature finds that such emergency requires an amendment to the Constitution of Florida be submitted to the electors of the State for an early decision.

That the following amendment to Section 1, Article XII, of the Constitution of Florida is hereby agreed to and shall be submitted to the electors of the State of Florida for ratification or rejection at a special election to be held ninety-two (92) days after adjournment and publication of notice thereof:

Section 1. **Uniform system of public free schools and financial assistance for education in private schools and institutions.**—The legislature shall provide for a uniform system of public free schools, and shall provide for the liberal maintenance of the same only so long as white and colored children are not taught in the same public school.
